

## Getting to cPanel Instructions:

1. First go to this website which is set up for Lehigh to give free access to cPanel for us:  
<https://confluence3.cc.lehigh.edu/display/ltswms/Getting+Started+with+CPanel>
2. Log in with your Lehigh username and password.
  - a. Use this for help and other support in setting up along with rest of this document and the PowerPoint tutorial.
3. Go to the site called [ais.sites.lehigh.edu](http://ais.sites.lehigh.edu)
4. Then add a :2083 to the end to get the administrative site which would make the address  
ais.sites.lehigh.edu:2083
5. Log in with these credentials; username: aissites password: XLCdTBLLdQ
6. This will bring you to the point at which you need to be to continue the video tutorial presented in powerpoint.
